

On Tuesday, Sep. 12th from 2:30 p.m. to 4:00 p.m. at the Kinsale Volunteer Fire Department, the VA Department of Environmental Quality (DEQ) would like to invite you to be a part of the Residential Working Group as part of the development of a watershed clean-up plan for the Yeocomico River Watershed.

We are seeking your input on locality data for both Westmoreland and Northumberland Counties, specifically:

- Estimates of households on public sewer or septic
- Main areas of concern within the Yeocomico River Watershed
- Estimates of wildlife in the area
- Estimate of pets in the area

The ways in which we can best serve the community by cleaning up local waterways

Address: **123 Yeocomico Ln, Kinsale, VA 22488**

Time: **2:30-4:00 p.m.**

Rain Date: Tuesday, September 19th at the same time and location.
